Cook,

On behalf of the Roselle Board of Education and the students from Abraham Clark High School, I would like to extend my sincere thanks for your profound presentation.

The evaluations were wonderful and the staff and students raved about your presentation! Your willingness to donate your time and expertise truly contributed to the success of the day and more importantly the success of the students!

It was a pleasure to see you again and hear you speak. You truly are unique! We look forward to seeing again on June 3rd, 2003 for an in-service for the District of Roselle.

Respectfully,

Nicole Masi, SAC
