Albany, NY 12206

Dear Mr. Cook:

The DECA Club and Business Law classes would like to thank you for giving your time and expertise to our "Law Day Celebration." The students benefited greatly from the time they spent with you and the information you shared with them, especially the anecdotes. I have also received many positive comments from teachers who attended your presentation.

We look forward to having you participate again next year.

Sincerely,

Joyce A. Williams
Mrs. Joyce A. Williams
DECA Advisor

Mr. Joseph Padalino
Executive Principal
