Welcome to ArizonaGIA.com

AZGIA welcomes all new association members to the AZGIA website - we are glad you joined!

Thanks to everyone that attended the AZGIA 2009 conference. The conference was a huge success and we thank each and every instructor. Without doubt, Ronald "Cook" Barrett hit a homerun and will long be remembered for teaching rookies and twenty five year veterans alike to "show em the love", and for teaching that we need to "REACH EM TO TEACH EM." Within minutes of Cook finishing his presentation, the AZGIA Board had started to make arrangements to bring "Cook" back to Arizona and to host a **Gang Prevention and Intervention** for community members during the 2009 winter months.

We will soon be releasing the 2009 - 2010 AZGIA quarterly training dates and locations. If you would like to suggest a training topic or to host a training, please contact the AZGIA training coordinator Brian Novotny at:
bnovotny@rmin.riss.net

And mark the dates - AZGIA 2010 will be held at the Fiesta Hotel and Conference Center (Tempe) June 8-9-10, 2010.
